

2017 Gambell New Church Build Mission Team Confirmed Dates

Mission teams would arrive in Anchorage one to two days before departure. Housing would be arranged in one of the PCUSA churches. Upon return from Gambell teams would be provided housing if teams were to stay for sightseeing or other experiences.

We have a paid building contractor who will be on-site from July 1-August 30th so we are working to fill these two months with work teams. All dates not confirmed are negotiable to better suit your team's needs.
