STEWARDSHIP KALEIDOSCOPE - MARCH 9-11, 2015

Stewardship Kaleidoscope is a national gathering of Presbyterians to explore issues related to generosity, financial discipleship, mission funding, funds development and other stewardship topics. This year's event is in Kansas, Missouri at the Airport Hilton, March 9-11, 2015. More information on the event is available at www.stewardshipkaleidoscope.org.

Eco-Palms

Palm Sunday is March 29. Celebrate the triumphal entry of Christ using palm fronds that are fairly traded.

Through the Eco-Palm Project, palms bought from harvesters are purchased at a fair price and cut down in a way that protects the environment. Proceeds from palm sales help harvesters send their children to school, improve their communities, and provide necessary healthcare.

Place your eco-palm order now, and watch this informational video to learn more. Orders must be placed by no later than March 6 for delivery during the week of March 22.
