## Electronic Milestone!

On Palm Sunday, two Presbytery of Yukon congregations, Olgonik Presbyterian Church in Wainwright and Utqiaġvik Presbyterian Church celebrated Palm Sunday worship together, while remaining 90 miles apart! Since there are no roads between the villages of the arctic, connections are usually by air or telephone. Indeed, until the arrival of fiber optic capability last year, electronic communication was often difficult. The arctic is clearly in a new age, now!

This week's worship was possible because Intergenerational Arctic Ministries completed the installation of collaborative technology in both churches on Saturday, the day before Palm (Passion) Sunday. On that short notice, the two congregations decided to adjust their plans and to make the first Sunday of Holy Week a great celebration by worshipping together-across the miles. The Rev. Joseph Reid, pastor of the Utqiaġvik Presbyterian Church, preached the sermon, and as the photo shows, the congregation in Wainwright joined in.

The technology installed is part of the work of Intergeneration Arctic Ministries (IAM), a nonprofit organization working to bring a faith-based approach to healing the social ills that stem from collision of western culture with indigenous culture. IAM is putting this technology into congregations across the arctic and St. Lawrence Island. This technology will allow collaborative training of leaders, long-range planning, and conferencing capability for major events (including worship). With this technology, the churches will become centers of a great deal of community activity, working in partnership with community groups to increase community planning, and high quality community activities that facilitate community health.

However the high-tech capability, which allows great transmission of images and sound, also lends itself to a wonderful shared-worship experience-as this Sunday's experience so readily demonstrated!

Please pray for the vision and stewardship discipline to use these new technical resources to the glory of God, and the healing of the people.

# Commissionings in Utqiagvik

*Images from the Nageak, Ahsoak commissioning on March 31, Utqiagvik Presbyterian Church.*

First time in recent memory that the commissioning happened in one of our local churches. Normally, commissioning happens at the meeting of presbytery, when they are approved. This time, due to family or work issues, both were unable to be present at presbytery for the time when the commissioning worship service would have been held. As a result, this one was held in Utqiagvik Presbyterian Church on March 31st, and was a great celebration.

## Next Presbytery Meeting In October

The next presbytery meeting will be held October 11-12, 2019.  
Churches: We still need a volunteer to host the meeting. If you are interested, please contact Sharon Rayt at the Presbytery office.

Did you know there is a GA Special Committee to Study the Reformed Perspective of Christian Education in the 21st Century? With a particular focus on further study of the certified Christian educator process and faith formation in small congregations and racial/ethnic minority congregations, they would like to hear your voice. To participate in a short interview, please send an email to [CESpecialCommittee@gmail.com](mailto:CESpecialCommittee@gmail.com) with your name, role, and contact info. Please share this request with your congregations as well. The GA Special Committee thanks you!

## Youth Triennium 2019: July 13 - 21, 2019

The Presbyterian Youth Triennium is a conference for youth from the PC(USA) and Cumberland Presbyterian Church. It is held every three years at Purdue University (Indianapolis, IN). Through worship, small groups, recreational events and mission experiences the goal is to inspire youth and adults to be disciples into today's world. Information about the conference can be found at: [www.presbyterianyouthtriennium.org](http://www.presbyterianyouthtriennium.org).

### **Who Can Attend?**

- Youth (current 8th - 12th graders) who are actively involved in a PC(USA) congregation
- Adult advisors (chaperones for the youth from our delegation)
- College-age staff (serve on work crew to support the Triennium)
- Small group leaders (adults 23 years and older who lead small group gatherings)

### **Costs: \$1450 per youth participant**

Each church will need to work with their youth participants in determining what is paid by the participant and the church. Scholarships are available

to help if a church or congregation is not able to pay the entire \$1450. In the past individuals or churches have received money from civic groups or native corporations through youth empowerment (or similar names) funds.

Airline tickets (roundtrip from village to Anchorage) for up to two village youth participants per church would be paid by the Yukon Presbytery. If additional travel grants are secured or airline ticket prices go down participants will be notified.

Please see the [Presbytery Triennium Information Sheet](#) for more details.

## Big Tent 2019 - August 1st-3rd

Big Tent will be held August 1-3, 2019 in downtown Baltimore, Maryland. The theme, based on Romans 12:2, will emphasize our hope for the Gospel and its power to challenge institutional conventions. The goal is to come together and live in this moment, immersed in our current cultural context of racial division, gender inequality, and economic disparity to be renewed, refreshed and reformed, so that we may be sent out to affect change in our own communities. Big Tent will provide a place where our Presbyterian polity and identity is the foothold by which we proclaim the Gospel of Jesus Christ in action and answer the call to discern the will of God together.

Registration costs and further details will be posted on the Big Tent website at [pcusa.org/bigtent](http://pcusa.org/bigtent) when finalized.

## Adopt A Chair Fundraiser

Work on the Gambell new church building is progressing and we need your help! The chairs for the new sanctuary have been ordered and are heading to Gambell on the barge this July. So we are holding an "Adopt A Chair" fundraising program to help offset the cost. We are asking for a donation of \$100 to sponsor a single chair. Of course you are always welcome to donate as much or as little as you can. Every little bit helps! Donations can be made out to the Presbytery of Yukon and sent to the presbytery office marked "Adopt a Chair". Thanks!
