## Bingle Camp Update

A Letter From The President

Dear Bingle Family,

As acting Bingle board president (and longtime camp cook) I regret to inform you that we are not having camp at Bingle this year. As a board we felt it in necessary to have a summer to make much needed building and grounds upgrades. We are also making plans to upgrade our administrative processes to make Bingle better able to handle more camps and campers in the future. As a result we decided to take a one year hiatus to allow us to accomplish these goals.

During the winter Steve, our Director made several updates and improvements to the Knox building and it is still available for use during the summer.

He already has organized several teams that are scheduled to come work on the camp through the summer. We look forward to showing you these improvements in 2018.

We have several groups and events scheduled this summer and those will go on as scheduled.

Please look forward to newsletters in the coming year bringing you updates of the improvements and the exciting new plans for Bingle Memorial Camp in the coming years.

We apologize for any inconvenience, we covet your prayers as we undergo these changes, and above all we look forward to seeing you next summer!

Sincerely,  
Darcey Sharp  
Bingle Board President
