## Adopt A Chair Fundraiser

Work on the Gambell new church building is progressing and we need your help! The chairs for the new sanctuary have been ordered and are heading to Gambell on the barge this July. So we are holding an "Adopt A Chair" fundraising program to help offset the cost. We are asking for a donation of \$100 to sponsor a single chair. Of course you are always welcome to donate as much or as little as you can. Every little bit helps! Donations can be made out to the Presbytery of Yukon and sent to the presbytery office marked "Adopt a Chair". Thanks!

## From Grace Presbyterian Church - Pastor Search

Grace Presbyterian Church in Milton-Freewater, Oregon, is looking for a part-time pastor who will lead and love the people at Grace. If you are an ordained or commissioned pastor in the reformed tradition, who would be willing to relocate, you could be our next pastor!

We are a small, inclusive & caring church family who loves God and loves each other, feels called by Jesus to serve in our community and beyond, has a great heart for mission and a significant presence in our community, and participates in ecumenical and community events and worship.

We are located in the northeastern corner of Oregon (10 miles from Walla

Walla, WA), at the foot of the Blue Mountains, in the beautiful patchwork of wheat fields, orchards, and vineyards that make up the Walla Walla Valley. The Valley has much to offer in the way of music and the arts (several live theater venues, symphony, chamber music, community bands & choruses, abundant art & artists), outdoor activities (hunting, fishing, biking, golfing, skiing, snowmobiling), educational opportunities (2 community colleges, Whitman College, Walla Walla University), and world class wines (over 140 wineries in the Valley).

We know that you are "out there" somewhere, and that God has a plan for Grace. We pray that he will lead you to us!

For more information, please contact Judy Chesnut, Clerk of Session, at [starfishjudy@charter.net](mailto:starfishjudy@charter.net). Also, review our MIF at the Church Leadership Connection (CLC) website.

## Preservation Grants for Churches

To assist congregations with the preservation of church records, the Presbyterian Historical Society awards annual Heritage Preservation Grants to PC(USA) congregations, covering up to \$500 of the cost to digitize official records.
